

Adult and Dislocated Questions and Answers

(The questions provided below were copied exactly as we received them)

- 1. Is there an enrollment goal for Adults and Dislocated Workers? If so, what is the split between the two funding streams?**

Funding streams are separate. Please refer back to the RFP for amounts.

- 2. Can any charts submitted in the proposal be a smaller font or single-space format?**

No. Page 18 of the RFP specifies responses should be typed in 12-point font, New Times Roman, with one-inch margins and double-spaced.

- 3. On page 7, regarding fingerprints, which staff are required to submit Level 1 Fingerprint Clearance cards? Does that include those who do not work directly with the customers?**

Fingerprint clearance cards and background checks are required for staff that are providing direct services and contact with customers and participants.

- 4. On page 34, under Collaboration and Leveraged Resources, are just three letters of commitment needed?**

Yes, the RFP requires three letters of commitment.

- 5. Page 18 says proposal can be submitted electronically, by mail or can be delivered in person. Then Page 18 says to submit an electronic copy of the proposal on a thumb drive. Can you confirm that proposals can entirely be submitted via email to ADWRFP@ypic.com?**

Proposals may be submitted electronically via email, by mail, or in person. If submitting a paper proposal, please also provide an electronic copy on a thumb drive.

- 6. Page 18 says proposals are limited to 30 letter-size pages, excluding appendixes. However, it seems like almost the entirety of the proposal is composed of appendixes (i.e. Appendix C: Narrative Response). Do you mean that we can include exhibits that are not required by the RFP can be submitted and they are not included in the 30-page limit?**

Appendices C and D are included as part of the 30 Letter size pages.

- 7. What are last years' service levels for Adult and Dislocated Worker? How many were enrolled? How many carry-overs? How many were in Follow-up? How many participants in ITA/OJT's? How many for each are anticipated next year?**
