Re: **Last Week of Quarter 1**

First, I would like to congratulate those students that have passed all their classes and kept their attendance under three days. Students with a full schedule should be 1.75 credits closer to graduation if they passed all their classes. Students that have met the expectations of the BESPAs should pick up an additional .25 credits in the elective areas.

Our last day for quarter 1 will be October 7, 2011. Finals for period 4 will be on October 6 and finals for period 1 through 3 will be on October 7. Students that have perfect attendance and grades above seventy percent will receive an automatic pass for their finals and will not be required to take the finals. These students will be released at 1:37 on Thursday, October 6 and will be excused from school on Friday, October 7.

The last day for after-school make-up time is Tuesday, October 4. The after school lab is open from 2:45 until 4:15. The morning lab will stay open from 7:30 to 8:30 until Thursday, October 6. Any students that are over 3 days of absences at 8:30 on October 6 will forfeit credits for quarter 1.

**Students will not have school on October 10 and October 11** due to professional development activities. Please call 928-329-0990 ext 131 if you have further concerns or would like to know more about our school wide math program.
